3.	As per self-certification obtained from the management, the amounts withdrawn from the designated bank account are utilized towards project cost only. However, it is not possible for us to verify the end use of funds withdrawn from designated bank account on one-to-one basis since the requisite record for such verification is not available. But while certifying on utilization, we have relied on the expenditure as per books of accounts produced before us which shows that the expenditures incurred on the project are more than total amount collected from customers till the end of financial year on cumulative basis.
