Agenda of the meeting:-

A. To discuss negotiations held between the Office bearers of the Society and authorized representatives of one Krishang Infra Pvt. Ltd.. a Developer who is know to some of the members of the Society and take decision on further course of action in the matter of incomplete project. which has been causing lots of inconvenience to members. approve and accept the proposal given by M/S. Krishang Infra Pvt. Ltd..

The Hon. Secretary informed the meeting that in the situation where the present Developers M/s. Shreeji Infra has, for quite some time left the redevelopment project incomplete and have failed to attend to various complaints of members despite repeated requests and reminders, the agitated members demanded actions against M/s. Shreeji Infra to ensure due completion of the project and redressal of members' grievances.

One option available to the Society was to find another developer who would be willing to takeover the incomplete project if the Society proceeds to terminate the rights of M/s. Shreeji Infra and the option is to bring around said Shreeji Infra to perform their pending obligations towards the Society and its members. The Committee was conscious of the fact that if hasty decision to confront and legally fight with said Shreeji Infra is taken, the manner in which the available legal machinery moves, it may take years and incurring of prohibitive costs before the proper resolution of the issue. The Committee was therefore, reluctant to proceed legally against unresponsive and insensitive Shreeji Infra till some alternative arrangement are made with some other interested strong developers, who can cope with hurdles which said Shreeji Infra might try to create.

In such a situation, some of the members, on their own had talked to the management of Krishang Infra Pvt. Ltd., who is known to them and who, accordingly to them is a kind of strong party and had informed the Mg. Committee that M/s. Krishang Infra may be interested in taking over the incomplete project provided the Society accepts their offer and appoints them as a New Developer.

The management of the Society had therefore, invited the management of said Krishang Infra for a site visit to ascertain the scope of work, provided them with details of Society's property including the appurtenant land exclusively possessed by the Society and inquired with them about what they could offer. Detail discussions and negotiations were held time and again. Ultimately, few days back said Krishang Infra's management showed their willingness to takeover the project provided the Society would initiate steps as against the said Shreeji Infra as might be suggested by said Krishang Infra to put and end to their development rights, where after, said Krishang Infra will takeover things in their hands. The Mg. Committee agreed to the

broader terms and showed its willingness to issue a notice after obtaining necessary approval from its General Body. The Managing Committee has assured the members present that as per the oral terms agreed with said Krishang Infra, neither the Society nor its members will be called upon to take any financial burden for resolving the issues with said Shreeji Infra. The Hon. Secretary, therefore, requested the members present to pass a resolution authorizing the Mg. Committee to initiate appropriate legal action including a legal notice of termination, as they may be advised further in the matter.

After due deliberation, the members present, with majority passed the following resolution:

"RESOLVED that the Mg. Committee be and it is hereby requested and authorized to issue legal notice of termination of the development agreement entered into with Shreeji Infra on the ground of several breaches and defaults committed by them in performance of their obligations under the said Development Agreement and consequently revoke the General Power of Attorney granted in favour of their partners and thereafter proceed further in the matter as per the legal advice which the Committee would receive from time to time PROVIDED however, that before issuing such legal notice, the Committee ensures that said Krishang Infra Pvt. Ltd. submits its written offer in consonance with the assurances given by them to the Mg. Committee during the concluded oral negotiations."

We have been informed that vide some resolutions / decisions passed/taken in a SGM dated 31.01.2016, the Society is, in principle, contemplating necessary legal actions for termination of present Developers' development agreement and power of Attorney. However, the intended action is kept in abeyance till alternative arrangements are in place for completion of the project. We therefore, make it clear that, on our offer being accepted and grant of expected development rights with authority, we shall be able to take up and complete the work only after the present developers in writing give their consent and no-objection to our taking over the project, which can be achieved only after some settlement is brought around with them with our efforts.

The Development work will be undertaken by us in the name of Krishang Infra Pvt. Ltd. with whom required documents will have to be executed and registered by the Society.

It is our specific requirement that while granting the Development rights, the Society shall also give us a right to name the building with such name as we may [illegible] in our absolute discretion.

Further process will begin once we receive the letter of acceptance from the Society and the NOC from the previous Developer to the society.

Kindly acknowledge and oblige,

Thanks and Regards,
