Shreeji Infra, such rights have already been granted to M/s. Shreeji Infra, there is nothing new if the Society grants the same rights now to Krishang Infra Pvt. deploy huge funds in completing the incomplete works and in attending all further formalities of obtaining fresh approvals, amended plans and in putting up further construction after attending to members' grievances which include grievances regarding leakages, glitches in regular operation of lifts, huge claims of arrears of Municipal assessment and water charges etc. unless they get some rights wherefrom they can recover their investment and make some reasonable profits. Members were satisfied with the said explanation.

D. To issue share certificate to new members.

It was decided to issue share certificate to all members of the society as they had already paid Rs 50,000 towards entrance fees. All members agreed for the same.

E. Payment of Society Maintenance

As the new members were paying the society maintenance to M/S Shreeji Infra it was decided that the same would be paid to the society with retrospective effect i.e from September, 2015.

F. Inclusion of adhoc members in managing committee:-

Since many of the existing members in the managing committee had left the society, it was getting very difficult to manage the day to day functioning of the society with the limited committee members (2 nos). hence it was decided to add adhoc temporary members in to the managing committee till the entire building is complete in all aspects.

G. Submission of statement of accounts:-

The books of accounts were submitted to our society auditor Mr. Rajesh Damaniya for preparing the balance sheets, profit & loss accounts etc. and the same would be handed over to the society by end of March, 2016

H. Appointment of advocate :

It was decided to appoint an advocate to ensure that the process of termination of old developer and appointment of new developer would go in such a way that the society interest was safe guarded. For this it was decided to appoint Ms. Anushree Malgaonkar as the society advocate.

All the members were eventually satisfied and the meeting ended at 11:30 pm with a vote of thanks to the chair.

Sub: Further development of the Society's property

Dear Sir,

As you are aware, after your letter dated 16.04.2016 informing us about acceptance of our offer and our appointment as the New Developers, keeping the Office bearers of the Society in confidence and in consultation with them, we had brought around a mutually acceptable settlement with M/s. Shreeji Infra, the terms whereof were known to all the parties.

However, since the Society had imposed a preconditions that before execution of a Development Agreement with fresh Power of Attorney and other related documents and writings in our favour, we have to accomplish and carry out all the works / tasks affecting the members, as were listed in our offer letter.

Therefore, since then, besides holding hectic and prolonged negotiations with M/s Shreeji Infra, we, in good faith proceeded to attend and complete / accomplish all such works promises as also few other which were not within the scope of our responsibility. All in the Society are aware of our continuous efforts being witness to the works carried out through our men and contractors.

We therefore, approached the authorized office bearers of the Society and requested them to now sign, execute, register and deliver to us the proposed Development Agreement and a fresh Power of Attorney to start with to enable us to take up construction of incomplete Flats as also further Floors containing our saleable Flats.

Thereupon, we were requested to get prepared the drafts of the Development Agreement and the Power of Attorney and submit the same for your perusal and approval / confirmation thereof by the members.

We have as per the said request, got the drafts of a Tripartite Development Agreement, wherein the Old Developer M/s. Shreeji Infra has agreed to join as confirming party as the terms of settlement with them are also incorporated in the same draft and a Power of Attorney and first we got both of them read and approved by said Shreeji Infra.

We are now forwarding herewith the said drafts of the Development Agreement and the Power of Attorney which the Society is required to grant in our favour. .

Please peruse the drafts and on finding the same in order and as per the terms and conditions mutually agreed upon, get the same approved / confirmed by members and confirm such approval to us to enable us to get the same first adjudicated for payment of stamp duty and thereafter get them stamped as per adjudication order and thereafter, the same can be executed and registered, for which we shall fix mutually convenient time in consultation with the Hon.
