ORDER

(Thursday, 09th November 2023)

(Through Video Conferencing)

1. The complainant above named has filed this online complaint before MahaRERA on 20-01-2022 mainly seeking directions from MahaRERA to the respondent to pay compensation for incomplete amenities particularly community hall and gym as prescribed under provisions of the Real Estate (Regulation & Development) Act, 2016 (from now on referred to as 'RERA') in respect of the booking in the respondent's registered project known as "**Vasuakamal Vihar**" bearing MahaRERA registration no. **P49900018352** located at Navi Peth, Dist. Jalgaon.
2. This complaint was heard by MahaRERA on 26-07-2023 as per the Standard Operating Procedure dated 12-06-2020 issued by MahaRERA for hearing of complaints through Video Conferencing. Both the parties have been issued prior intimation of this hearing and they were also informed to file their

written submissions if any. Despite the notice, the complainant remained absent. The respondent appeared and made his submissions. The MahaRERA heard the submissions of the respondent and perused the available records.

3. After hearing the arguments of the respondent, the following Roznama was recorded in this complaint –

“The complainants are present (except the complainants at Sr. No. 1 - CC001000000020203, 3 - CC001000000020228 and 4 - CC001000000020230). The respondent JSN Properties LLP is present. The present complaints have been filed for compensation for incomplete amenities particularly community hall and gym. Admittedly, the project is complete as the occupancy certificate and Form 4 have been uploaded on the MahaRERA website and the conveyance is also done in November 2020 and the deed of declaration under the Maharashtra Apartment Ownership Act is registered in November 2018. However, the complainants after obtaining the possession have raised the issue of incomplete amenities to which the MahaRERA has pointed out that ideally such group issues are to be raised by the association of the allottees/ society formed in the project. Moreover, admittedly, the said amenities are not mentioned in the agreement for sale. The respondent has pointed out the difficulties in completing the amenities. The respondent has contended that they were able and willing to provide the said amenities, however, there was no consensus amongst the allottees whether the amenities should be on the terrace or on the ground floor of the said building and the provisions for the said amenities on the terrace was finally removed. However, no new construction for the same has been done. The respondents are directed to file a reply to these complaints along with their written arguments within a period of one week i.e. by 02-08-2023. The complainants may file their rejoinder along with their written

arguments within a further period of one week ie. by 09-08-2023. Accordingly, these matters are reserved for orders suitably after 09-08-2023 based on the arguments of both the sides as well as reply, rejoinder and written arguments filed in these complaints."

4. However, in the present case the MahaRERA has noticed that the complainant has uploaded a withdrawal application dated 10-10-2023 duly signed by the complainant on record of MahaRERA on 14-10-2023. In the said application the complainant has stated that she has settled the matter amicably with the respondent. Hence, she seeks to withdraw this complaint. The respondent has not filed any reply / written submission objecting to the said withdrawal application filed by the complainant. Hence, the said withdrawal application is accepted and taken on record.
5. In view of the above, since both the parties have settled the matter amicably, nothing survives in this complaint.
6. Consequently, the present complaint stands disposed of as settled and withdrawn.
