The figure shows two identical rectangular floor plans. Each floor plan is 10m wide and 10m high. In the center of each floor plan is a rectangular 'Block' that is 2m wide and 2m high. The area surrounding the block is the 'Paving' area. The dimensions for the paving area are given as 8m by 8m. The total area of the floor plan is 100m², and the area of the paving is 64m².
