The floor plan illustrates a three-story residential building with a symmetrical layout. Each floor contains three identical units. The units are arranged around a central corridor that includes a staircase and a lift. The building's footprint is rectangular, with a central area reserved for common facilities. The units are labeled with their respective room names and areas in square meters. The total area for the three units is 23,118.00 sqm.

Room	Area (sqm)
Kitchen	2,562.00
Living	2,303.08
Dining	1,145.20
Bedroom	2,562.00
Bath	1,151.20
Balcony	3,204.00
Total (3 units)	23,118.00
