The details of the quality are as follows:

1. Structural Design, Stability and Testing

Sr. No.	Parameters	Yes	No	Remarks
1	Whether soil investigations of the site have been conducted before the structural design and soil parameters have been accounted for in the structural design/ drawings?		No	
2	Whether Structural Engineer has been appointed for the project?			Er. Dinesh Gonade. Reg.No: STATE/R/2025/APL/16671 Mobile: 9960049215 E-mail: dygonade@gmail.com
3	Whether the inspection registers, site order book and quality control test registers are maintained at the site properly and endorsed by the Engineer–in-Charge?	Yes		
4.	Whether testing facilities to check quality of material is available at site?	Yes		

Scanned with OKEN Scanner

5.	Whether the statuary provisions for disaster resistance/ earthquake resistant design have been incorporated, especially in case of multi-storied construction?	Yes		
6.	Has suitable cognizance been taken on demarcated flood lines and appropriate precautions taken for protecting the site from flooding considering local flooding issues?	Yes		

2. Input Materials

Sr. No.	Parameters	Yes	No	Remarks
1	Whether the following building materials confirm to relevant IS/BS/NBC Code, or as per Industry Standards? If yes, provide details:	Yes		
	(*a*)Cement, concrete and coarse aggregate	Yes		Ambuja, Ultra Tech
	(*b*)Steel and its alloys	Yes		Kamdhenu, Sangam
	(*c*)Electrical wire, fittings and accessories	Yes		Polycab, Finolex, Great white
	(*d*)Plumbing and sanitary fittings	Yes		Astral, Ashirwad, Jaquar
2	Whether regular tests of materials and construction products are being done from accredited labs also? If yes, details of such labs		No	
3	Whether manufacturer test certificate for cement, steel, pipes etc. have been obtained and whether supply records are being maintained?		No	
4	Whether suitable water is being used for construction? What is the source of water? Has water been tested and approved by Engineer-in-Charge before construction? Has water been tested subsequently as per requirement?	Yes		Bore Well

3. Quality of Workmanship

Sr. No.	Parameters	Yes	No	Remarks
1	Whether works of all the electrical wiring/connections/ lift installation / other electrical installations have been carried out under authorized/registered electrical engineer and whether records of the same have been maintained?	Yes		
2.	Whether all related works of plumbing & sanitary including installation of water supply systems, drainage systems, sewage systems, sinks, toilets etc. have been carried out under authorized /registered plumbers/sanitary contractors and whether records of the same has been maintained?	Yes		
3.	Whether all the work is being carried out under supervision of experienced and skilled professional? Further, whether the workmanship and quality is satisfactory and up to the mark and the work is within the acceptable and permissible limits of deviations as per relevant Code of Practice?	Yes		

Scanned with OKEN Scanner

4.	Whether remedial measures are undertaken to prevent dampness and leakages? If yes, provide details	Yes		Sikka, Fosroc
5.	Whether safety precautions are undertaken during construction activities for all type of workers?	Yes		

4. Miscellaneous

Sr. No.	Parameters	Yes	No	Remarks
1	Whether third party quality inspection is being carried out on site during/after completion of the works? If yes, provide details.		No	
2	Whether anti-termite treatment has been undertake for the soil?		No	
3	Whether fire-fighting arrangements have been undertaken under supervision of fire consultant?	Yes		
4	Whether proper signage has been installed on site/ completed building as per requirement?	Yes		
5	Whether precautions are undertaken to avoid air pollution during construction? Please specify.	Yes		
6	Whether records of all test reports / results have been properly kept in the prescribed formats and whether the same are available at site for viewing by allotters and to be handed over to the association of allot tees?		No	
7	Whether all relevant records including sanctioned building plans, utility drawings, various test reports / results have been properly kept in the prescribed formats to be handed over to the association of allot tees?	Yes		
8	Any innovative/cost effective/green technology has been used for improving quality/energy efficiency? Please specify		No	

Yours Faithfully,
