Subject: Formation of Society/Legal Entity: Project Name: Supare Nagar Township
Project Number: P50500006297

Sir

We have received notice in relation to Formation of Society/Legal Entity for our above mentioned RERA Project. In response to this notice we would like to inform you that the above project is a Row House Township. In case of row houses the owner of house is solely responsible to look after the maintenance of their bungalow/premises. In above circumstances, there is no need of formation of society to look after the maintenance of row houses in township. '

Our society has also received letter from grampanchayat stating that grampanchayat will be responsible to take care of external amenities, like street lights, roads etc. (for your reference letter enclosed)

Hence we request you to kindly grant us immunity from formation of Society/Legal Entity.

For Supare Nagar Township

Shrikant Supare
