Subject :- Title Certificate relating to property Survey No.58/3 B+3C + 3
D/1/1-4 of village Sansari, Taluka & Dist. Nashik within the

Dear Sir,

You have purchased the afore mentioned property under the sale deed dated 1/7/2014 duly registered in the office of the Joint Sub Registrar-2, Nashik bearing registration No.4459 & 4460 dated 25.6.2014. Thus, presently you are the owner of the afore mentioned property along with the right of approach admeasuring 200 Sq. Mtrs. from and out of the same survey number. You are constructing the premises upon the said property under the name and style "Beverlly Hills Phase 3". You have called upon me to investigate the title of the captioned property and produced before me all the necessary documents. On going through the said documents and also search of the Index-II register, I issue certificate to you in the manner hereinafter appearing.

1. On going through the Mutation Entry No.1604 dated 23/1/1928, it is seen that property bearing Survey No.58/3 is held jointly by Bala Gopala Godse, Raoji Nana Godse and Baburao Nana Godse and Runja Rambhaji Godse.

2. It is seen that there was partition of the property between the three owners supported by Mutation Entry No.1867 dated 10/12/1933. During the said partition, Mr.Bala Gopala Godse was allotted Survey No.58/3A and Survey No.58/3H.

3. There was further division and correction of the records as per Form No.12 issued and executed by District Inspector of Land Records according to which the Mutation Entry No.2856 was passed and certified on 5/11/1951. On account of the said re-arrangement of the sub divisions, Bala Gopala Godse got 3/4th share in the area of Survey No.58/3A and absolute ownership in two survey numbers 58/3B and 58/3C.

4. It is seen from Mutation Entry No.3006 dated 13/4/1955 that Bala Gopala Godse expired on 25/3/1955 and the names of his heirs were brought on record and duly certified. His heirs are shown as his son Trambak Bala and his grand son (son of his deceased son) Bhika Nivrutti Godse. and Smt.Parvati w/o Bala Gopala Godse was shown as minor guardian.

5. It is further seen from Mutation Entry No.4446 that there was again re-arrangement of survey numbers and its areas between Trambak Bala Godse, Bhika Nivrutti Godse and one Eknath Punja Godse.

6. There was again re-partition and re-allotment of shares between the parties which are duly recorded by Mutation Entry No.4461 dated 13/7/1975 and it is seen that property bearing Survey No.58/3B+3C+3D/1/1/4 came to the share of Bhika Nivrutti Godse which measuring 0 H - 64 Ares as cultivable land and 0 H - 4 Are as uncultivable land.

7. There is a road provided for various survey numbers for which Mutation Entry No.8521 came to be certified on 6/7/2007.

8. It seems from Mutation Entry No.9039 that Mr.Ravi Parmanand Sugandh purchased the area of 0.45 Ares from Survey No.58/3B+3C+3D/1/1/4 and for which the sale deed is duly registered between the parties. The said sale deed is duly registered between the parties. The said sale deed is dated 4/5/2010 and duly registered in the office of Sub Registrar-2, Nashik Road at Sr.No.4695 and the name of the purchaser Mr.Sugandh, is accordingly recorded for the said area of 45 Ares.
