Respacted sir,

We, Baburao G. Bhadaange and Jayant B. Bhadange would like to state that we have completed all civil works of the buiding named Vrindavan s.no. 298/1, plot no. 50/60/a/b/c, Pathardi, Nasik as on 31st December 2017.

We have applied for completion and occupancy certificate on 31st May 2018 inward no 2467 and revised application was submitted on 21st december 2019 inward no B2/OC/274.

We did not upload form 4 as in our openion form 4 is to be submitted after obtaining completion and occupancy certificate from Nasik Municipal Corporation which is in process and we will receive that shortly.

In view of recent corona virus situation in Mumbai, I request you to postpone hearing scheduled on 20th march 20 and request next date for hearing after 31st march 20 or till situation improves. I seek your advice and guidance in this matter.

Thanking you in anticipation
