Project registration no. P51600011883

We had completed the above said project on 04/04/2017 as per architect's completion certificate. There are total 23 units/flats in the said building. Out of these 23 flats, 21 flats are sold out and possessions of all these 21 flats are given to their respective owners. Only 2 units are unsold. This was the reason we had registered this project to Rera on 31/08/2017 via receipt no. REA51600015564. We had also extended our Rera registered project by paying extention charges on 28/06/2018 via receipt no. EXT51600000426.

We have retained these 2 flats as our company/firm asset. We had applied for obtaining completion certificate to Nashik Municipal Corporation on 08/05/2018. We shall convey Rera with the completion certificate as and when received by the Nashik Municipal Corporation.
