Respected Sir.,

The company M/s Assets Reality is constructing a project by name The Chalets Avenue at Survey No. 12, Hissa No. 1, lying being situated at village Sonivili, Tal. Ambernath, Dist. Thane with permission bearing No. KBNP/NRP/BP/324 2015-16 unique no. 166 dated 12th jan 2016 & Revised Permission bearing No. KBNP/NRP/BP/7825 2016-17 unique no. 96 dated 26th oct 2016 and we are abiding through all the process as per guidelines of KBMC.

It is been known to me that Vinod Prakash Tiwari and Pankaj Jatashankar Trivedi have obtained some documents in respect of the project The Chalets Avenue. With this information, so called respected RTI Vinod Prakash Tiwari in collusion with Pankaj Jatashankar Trivedi are blackmailing us to take back legitimate court cases against Pankaj Trivedi & Nirupama Trivedi and Vinod Prakash Tiwari is demanding extortion monies from me by creating trouble for me on site. When I refused to bow down and refused to pay them, they have started circulating crucial internal communication between KBMC & our Project's Architect to all our Bankers and Clients which end of the day started affecting our finances and deteriorating our clients trust and moral.

As per my basic and common knowledge RTI Act was introduced to create transparency and it should not be used be used for personal unlawful gains and vengeance, exactly the same is being done by Pankaj J. Trivedi is using by the way of Vinod P. Tiwari.

Now I would like to inform you about this person so called RTI activist Vinod Prakash Tiwari who along with Pankaj J. Trivedi entered my project at around 6.30 in the morning of 11th June, 2018 and then tried to enter and take forceful illegal possession of my Row House no. 10 & 11 and broke all the tiles and other materials & stole personal possession of my Staff/colleaguesstored in respective Row Houses. Also I have filed compliant in local police station about the same with CCTV footage.

Enclosed is actual CCTV footage colour Photos which evidently shows how so called RTI activist Vinod Prakash Tiwari and Pankaj Jatashnakar Trivedi along with their goons are entering my premises with my permission and breaking locks by climbing Row House gates.

With due respect I would like to highlight that no decent person in Badlapur or our any of clients are affected by our project's working, but information shared by KBMC to third persons i.e Vinod P. Tiwari and Pankaj J Trivedi has only resulted into blackmail and attempted extortion from developers.

So I hereby kindly request KMBC and its officials and Staffs to not to share any information regarding our given project without our consent because such immoral personals again will use those communication/Instruments to blackmail and do extortion.

Further we would like to confirm that there are no any violations which have been falsely spread by Trespasser/Criminal Vinod Prakash Tiwari & Pankaj Jatashnkar Trivedi.

Enclosed :
