WHOMSOEVER IT MAY CONCERN

Please note that inadvertently survey no. mentioned by architect in layout plan and CC does not mention word 'part – (p)'.

However, area statement & title report clearly specify word 'part - (p)' against all the survey nos. i.e., 112/1/A (p), 112/3 (p)

We will initiate rectification of layout plan & CC by adding word 'part – (p)' against all the survey nos.
