Subject: MAHARERA Application No. REA51800136443 and Changes in the Bank Branch Name in the application made to RERA Authority

Dear Sir/Madam,

Our MahaRera Application No. REA51800136443

I, Mr. Girish Koltharkar, Partner of Padmavati Developers, have applied for MahaRera Registration for Project "Padmavati Aadesh" to be developed by Padmavati Developers in Mumbai.

In this regard, I am getting queries regarding correction of Bank Details in my Application Form. Please note while applying we had selected as Mumbai as a Bank Branch instead of Branch Borivali West.

As you know, correction of Bank details is not permitted in online login.

Hence, I request you to kindly help me by correcting the branch details via offline correction or kindly permit us to edit bank details.

In case of any queries, we shall be happy to provide you further details.

Regards,

For Padmavati Developers

GIRISH KOLTHARKAR
