Subject: Clarification about sanction stamp and signature at back side of sanction drawing

Dear Sir,

Royal Residency project situated in Deolali Camp Nashik and sanctioned by Cantonment board, Deolali Camp, Nashik (CBR Vide NO. 48, dated 31/08/2018). In Cantonment board building Plan sanctioning process, they are used to sanction the project with stamp and chief executive officer signature at back side of the drawing. So to clarify this we are uploading drawings separately and sanctioning stamp and signature separately.

Thanking you.
