Royal Residency

Luxury 1 & 2 BHK Flats & Row Houses

This is to declare that our project Royal Residency is a residential project and it is free from any sort of encumbrances. Since it is a mandatory field marked with red star in the upload section, we have uploading this declaration to mention the same. Also the legal search report has been already uploaded to ensure there are no encumbrances. Hence this declaration for further clarity.

Yours truly

Paras Rajesh Rohra
