SHREE GUNGARA BALAJI PARK

AT MAUZA PAVNAR, M NO. 83, S S NO. 33/1 - TAH. PAVNAR, DIST. WARDHA

SELF CLARIFICATION REGARDING PROJECT NAME

We the Promoters of Project Name : Shree Gungara Balaji Park, Pavnar, Wardha had applied for RERA registration wide Application number REA50400129440. We three promoters naming

1. Om B. Thakre
2. Kishor V. Bhoot
3. Chandrashekhar M. Raut

Have bought Land in Joint name and applied for RERA as "Other than Individual" since we three are jointly sharing revenue and losses. Since, we are jointly doing all the activities related to project, we have not formed the entity and not having separate PAN.

Since the project has to be recognized as independently to give a title on some spiritual belief we decided to keep name of our project in the name of our Shree Gungara Balaji God. So, we use this name as only to recognize or to advertise or publish broachers etc. as a project name.

Also, earlier to this project we had registered with RERA our old project with the same identities and footings and we have got the approval too for that project. At that we did not faced such type of query and on those same beliefs we applied this application too with same project name.

As it is already nearly 2 months we have applied for registration application, we are facing very trouble to start development and project activities.

Kindly allow us to work with same project name as early as possible since, we promoters have given our all PAN details along with reconciling respective promoter details.

I hope for the early resolution of query and approval of application to start my project as early as possible.
