

Dear Society Executives,

I would like to invite you to society formation meeting of Nanik Ashtivanayak Vrindavan, Om Nagar Koradi Road Nagpur. The purpose of this meeting is to learn more about the structure of Society association and to consider taking the first steps to establish one for our society.

It is designed to create a forum for residents to foster a sense of community in the society; to communicate more effectively the needs of your neighborhood to other regularities; and to encourage residents to work together to keep our society an attractive and safe place to live.

We hope you will come to meet your neighbors and to learn how, by working together, we can ensure that Nanik's Vrindavan is a neighborhood that is clean, safe, friendly, and a place where all of us want to live. Please inform us a suitable date in coordination with all the flat owners' so that everyone shall be compatible with the same and shall participate.

Thank you for your time, and we hope to see you at the meeting.

Cordially,

Praveen Salany
