TO WHOMSOEVER IT MAY CONCERN

The Project namely, JP Square is already completed and we have already applied for the occupancy certificate of the said project on 07-11-2013 itself but still the authorities have not granted occupancy certificate to the said project. That an extension of one year was sought last year for the same reason with the hope of acquiring occupancy certificate within the said period i.e. before 31-12-2018 but still the authorities have not granted the occupancy certificate and are delaying the process for one or the other reason. That for this reason, we are again put to face the situation of changing the revised completion date of the said project and hence, for the reason mentioned herein above, the Hon'ble Authority may kindly revise the completion date of the project namely, JP Square.
