Subject: Declaration about Occupancy certificate

Respected Sir/ Madam,

We have received mail from the Maharera for correcting form 4 saying Occupancy for all the plots is not uploaded. We would like to clarify that the Occupancy Certificate uploaded on portal is for all the plots.

Plot No 1,2,3 & 4 were mortgaged with the concerned authority till the development process is completed and as we are done with the development of all work that was mentioned, we have received OC for the same and since these plots were mortgaged, they have specified the plot numbers that were mortgaged are free.

But the Occupancy Certificate is for all the plots and not only for the mortgaged plots.

Thanking You,

Mahesh Gulhane
