D. Any Qualifications/Observations of CA:

1	The project's commencement date is established in accordance with the RERA Certificate issued by MahaRERA, dated November 29th, 2019.
2	Table A-1-The amount collected from allottees during the year has been taken as the sum total of funds received from customers in Rera 100% bank accounts and other current accounts of the Company (net of reversal, if any) during the period from 01st April 2023 to 31st March 2024. Such amount also does not include the TDS deducted and deposited by the customers and amounts received towards indirect taxes/other charges.
3	As per self-certification obtained from the management, the amounts withdrawn from the designated bank account are utilized towards project cost only. However, it is not possible for us to verify the end use of funds withdrawn from collection bank account on one-to-one basis since the requisite record for such verification is not available with us. But while certifying on utilization, we have relied on the expenditure as per books of accounts produced before us which shows that the expenditures incurred on the project are more than total amount collected till the end of the period on cumulative basis.
5	The values mentioned in the column of Deposits (Table A) and Withdrawals (Table B) have been taken on the basis of net value of customers after reversals.
6	The figure specified in Table A(4) represents the actual funds collected from allottees and deposited into the Designated Bank Account, however, restricted to the amount as calculated in Table A(3) as there are other than customer receipts deposited in Designated Bank Account and such amounts are not considered while ascertaining the figures of Table A..
7	The reconciliation between Total Amount deposited in the Designated Bank Account as mentioned in Table A(4) and Total Deposits in Designated Bank Account as mentioned in Table B(2) has been separately provided in Table "Reconciliation of Total Amount Deposited in Designated Bank Account".
