Act to erect building, Sanction is hereby given to construct in accordance with the sanctioned plan, modifying note here under so as not to contrivence any of the building Regulation/Development Control Rules of Nagpur City/RP.The Commencement Certificate / Building permit is granted subject to the following conditions:-

1. The sanction once accorded through commencement certificate/building permit shall remain valid for Four years in the aggregate but shall have to be renewed every one year from the date of its issue.The application for renewal shall be made before expiry of one year if the work is not already commenced.Such renewal can be done for three consecutive terms of one year after which proposals shall have to be submitted to obtain development permission afresh.If application for renewal is made after expiry of the stipulated period during which commencement certifcate is valid then the Commissioner, NMC may condone the delay for submission of application for renewal by charging necessary fees.But in any case commencement certificate shall not be renewed for a period of more than four years from the date of commencement certificate / development certificate.However the condition of lease of allotment of plot for completion of construction will overrule this duration of sanction.

2. The land vacated in consequence of the enforcement of the setback rule shall form part of the public street.

3. This permission does not entitle you to develop the land which does not vest in you.

4. This building shall be used for the purpose for which the sanction is accorded and as prescribed in the prevailing Development Control Rules and Building By-laws.

5. No departure from the sanctioned plan should be made without obtaining previous sanction of the NMC. If any construction is carried out in contravention of the sanctioned plan the Nagpur Municipal Corporation may require it to be demolished or altered in such a manner as it may deem fit.

6.Within one year from the date of issue of building permit the owner shall commence the work for which the building permit is issued. The Inspection Notice/intimation regarding commencement of construction will have to be given to the Nagpur Municipal Corporation in prescribed form "F".

7. The initmation regarding completion of construction upto plinth level should be given in the Form as in Apendix "G" to the NMC.Further construction shall be carried out only after obtaining approval in prescribed format "H" from the NMC.

8. The Building or part thereof shall not be occupied or used unless occupation certificate has been obtained from Commissioner, NMC in prescribed format "K". The owner through his licenced surveyor/Architect/Engineer who has supervised the construction, shall furnish a building completion certificate to the Commissioner, NMC in the form in appendix "J".This certificate shall be accompanied by 3 sets of plans of completed development.The Commissioner, NMC after inspection of the work and after satisfying himself that there is no deviation from the sanctioned plans, issue an occupancy certificate.

9. Any person who contravences any of the provisions of these regulations, any requirements or obligations imposed on him by virtue of these regulations including the maintenance of fire protection services and applicances and lifts in working order or who interferes with or obstructs any person in the discharge of his duties shall be guilty of an offence shall be liable for prosecution.

10. W.C, Bath & washing places shall conform to requirement contained in table 12 to 26 attached to Building Regulation of the Nagpur city.

11. Rain water shall entirely be excluded from the connecting sewer & separate arrangement for diverting rain water to road side storm drain shall be made. If any deviation are detected in this respect the Commissioner's order for rectifying them shall be complied with.

12. All drainage work shall be got done through licensed plumber approved by Nagpur Municipal Corporation.

13. W.C., Bathroom and washing places shall not be used unless proper connections are made as per table 12 to 26 through licensed plumber as mentioned in 12 above and completion Notice in form 'J' duly signed by licensed surveyor/Architect/Engineer is given and permission to use them is obtained from Commissioner, NMC.

14. During the course of construction of building, a display board on site duly mention the Building Permit No. & date along with the name of Structural Engineer, Civil Engineer, Architect & Contractor with their Contact Numbers. And the sanctioned plan shall always be available at site for inspection by officials of Nagpur Municipal Corporation.

15. Except as aforesaid the permission is granted subject to compliance of Building Regulation for time being in force and nothing herein contained shall be regarded as dispensing with such compliance except to the extent expressly specified therein.

16. This permission shall not be construed as affecting in any way the right of Government or the Nagpur Municipal Corporation or any other authority or any private person or firm to the land upon which permission has been sought to construct building or to any easementary rights connected there with.

17. The permit holder is not allowed to collect earth/materials from or through Nagpur Municipal Corporation land and road sides without permission in writing from Commissioner who may grant it on such terms and conditions as may deem fit. Where such permission has been granted such use shall not be an obstruction or be a hinderance to the road user. The excavated material/debris deposited shall be removed within three days of use of land.If any material is stacked or dumped on Nagpur Municipal Corporation land without Corporation prior permission and if such permission is granted but subsequently if it is seen that permission is causing hardship to the public then it shall be removed by the Nagpur Municipal Corporation at the risk and cost of this permit holder and Nagpur Municipal Corporation shall not be responsible for any loss or damage cause to the permit holder.
