Request for RERA Registration

Dear Sir,

We have applied for RERA registration for our project naming Creative Homes Sunrise. Our project was sanctioned on 10-Dec-2021. Due to Covid-19 there was no market and therefore we could not start the project. Now as the market is doing good and developing, we have started developing our project and want to get registered under RERA.

Kindly allow us the registration. We are ready to submit all documents required for registration.

For DHAWAN INFRA
