Subject: Unable to edit bank account details in project section in MahaRERA portal.

Sir,

We, Neevstone builders, have applied for MahaRERA registration of the proposed project 'INDUS PARK' vide application number REA50500132274 dated 17/02/2023.

As per recent scrutiny raised by your department stating *"Separate bank account declaration - reconcile bank details (account number, Branch Name, Bank name) in declaration with registration application. In case of any further clarifications required, please contact helpdesk/ SRO or attend open house meeting."*

Sir, while applying for registration we had entered wrong bank account details in application due to human error. Recently it has come to light that bank account details in declaration does not match with the bank account details in application entered by us. But we are unable to edit the same as edit button for the project is unavailable.

Synopsis of the query

Bank Name (As per Application): SHIKSHAK SAHAKARI BANK LD
Branch Name (As per Application): SOMALWADA, KHAMLA
IFSC Code (As per Application): SKSB0000002

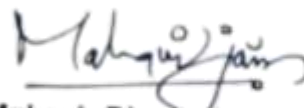

Account Name (As per Declaration): NEEVSTONE BUILDERS INDUS PARK

Bank Name (As per Declaration): SHIKSHAK SAHAKARI BANK
Branch Name (As per Declaration): DHARAMPETH
IFSC Code (As per Declaration): SKSB0000002

Reason: **Enable to edit bank account details entered in the application as edit button is inactive. (Screenshot Attached)**

We, hereby request you to please consider our case and enable the edit button for the project section in MahaRERA portal allowing us to correct the bank account details in application as per declaration added.

Thanks
