iosis

To,

MahaRERA

Subject: Change/ transfer of separate designated bank account from one scheduled bank to another scheduled bank.

Sir,

With respect to above, we submit herewith the following declaration.

The existing designated account has been opened in HDFC Bank- Dharampeth Extenstion Branch, Nagpur which is around 10 kilometers away from our office at Plot No. 6, Ward No. 1, The Primus, Harinwar Layout, Amravati Road, Wadi, Near Axis Bank, 440023, Dist.: Nagpur, State. Maharashtra.

The Axis Bank is situated just besides our office and is very convenient from the day-to-day operations point of view.

Further, the HDFC Bank does not have facility to view RERA Accounts online. We have to obtain Bank Statement each time in hard copy from the bank and pay the Bank Charges of Rs. 60 per statement. Whereas, the Axis Bank does have the facility to view all RERA Accounts online free of cost which is very convenient for daily operations as well as from cost point of view.

In view of the above, we request you to give us permission to change the designated RERA account from HDFC Bank to Axis Bank Wadi Nagpur and oblige.

Thanking You.

Yours Faithfully,

For IOSIS CAPITAL PRIVATE LIMIED
