Any Comments /Observations of CA

1.	The consideration as per Ready Recknor Rate is much less than Estimated Cost of Project. The actual sale value will be more than it as informed by the Partners.
2.	The assessee has multiple projects but no separate designated bank account for each project. All receipts from customers of various projects are deposited in the common bank account.
3.	As there are multiple projects the bifurcation actual cost incurred for development of the project cannot be ascertained from the books of account, so the actual cost incurred for development of the project is taken as certified by the project Engineer in Form 2.
