DECLARATION

With reference to the application no. REA50500149578, we have received a query for mismatch of CC uploaded vis a vis the CC received on mail from the local authority. In this regard we may like to clarify that the actual khasra no for our project is No.80, 86, 10 Mouza Kanholi and Chichghat, however earlier NMRDA (sanctioning authority has issued CC dated 06-11-2023 with incorrect kh no 80, 81, and 10, which was mailed to you earlier on 21-11-2023).

However, once the mistake came to our notice we got the revised CC from NMRDA with correct **Kh. No.80,86,10 dated 08-11-2023** and which was **subsequently mailed to you on 11-12-2023**. The revised CC has also been uploaded by us on the maharera portal.

We request you to kindly consider the latest mail dated 11-12-2023 by establishment@nitnagpur.org as a CC confirmation. and ignore the earlier mail and process our application accordingly.
