1	Amount of Rs.1,53,00,000.00/- in point no.1(i)(a) of Table A being "Value of the land as ascertained from the Annual Statement of Rates (ASR)" is as certified by the promoter.
2	Consideration per unit as per Ready Recknor Rate shown under Unsold Inventory in Table C are as informed and certified by the promoter
3	Means of Finance is based on the information provided by the promoter
4	RL - i.e. occupancy certificate for partial units has been issued by the relevant authorities. Accordingly, only a few units are yet to be completed and major units has procured the status of OC as per the said certificate upto quarter ending. As informed by the promoters, unlike in case of the other project, the separate completion certificate in terms of RL is being issued meaning thereby that the said units are complete in all aspect. Hence, the amount corresponding to the said units has been withdrawn on the verge of completion. Accordingly, the figures mentioned in Clause 6 of the Table B shall not give a correct picture
5	As informed by the promoters, the project is complete and all the expenditure has been incurred. The completion certificate is awaited from the authorities. However, since that the entire cost has been incurred, the amount over and above the actual cost of the project, Clause 1 of Table D is reported as Nil
6	It is observed that the ASR value of the land as mentioned in Table A(a) & B(1) at the time of registration has been incorrectly considered, owing to which, the withdrawable limit as per Clause 5 of Table B is being reduced. It is recommended that, if required, a revision application may be filed to rectify the same
7	The actual cost of construction has exceeded the estimated cost and hence, the clause 1 of Table D is reported as Nil
